CAUTION - EXTERNAL EMAIL

Meghan:

Eliza and I checked our records and the Ethics Commission website to confirm that we did not register or file monthly lobbying reports for NextEra Energy in 2018 or 2019 because we never hit the 8 hour/month threshold of "lobbying" in any given month. The statutory definition of lobbying is direct contact with a legislator or covered official(Executive branch) regarding legislation so we track our time and only register when we reach or get close to the 8 hour mark in a given month.

The last year we registered and filed reports was in 2017.

Dan,

Apologies for this, but we have an urgent request. Can you please send me the lobbying forms you file on our behalf that shows the amount of fees and expenses incurred for lobbying in 2018? Can you send as PDFs? I need to send to our boss by noon so if you could get to be before then it would be great.

Thanks!
