- (1) Includes all trade associations which notified NextEra Energy of the portion used for expenditures or contributions that if made directly by NextEra Energy would not be deductible under section 162(e) of the Internal Revenue Code.
- (2) All trade association dues are reported for the full-year amount.
- (3) Reported amount represents the estimated portion of NextEra Energy's dues or payment that if made directly by NextEra Energy would not be deductible under section 162(e) of the Internal Revenue Code and is based upon information requested and received by NextEra Energy. Does not include the amounts for which the trade association directly pays tax on the portion that is not deductible under section 162(e) of the Internal Revenue Code.
