(1) Includes all trade associations (i) where NextEra Energy dues were greater than \$25,000 and (ii) which notified NextEra Energy of the portion used for expenditures or contributions that if made directly by NextEra Energy would not be deductible under section 162(e) of the Internal Revenue Code.

(2) All trade association dues for 2020 are reported for the full-year amount; no additional dues were paid from July 1 – December 31, 2020.

(3) Reported amount represents the estimated portion of NextEra Energy's dues or payment that if made directly by NextEra Energy would not be deductible under section 162(e) of the Internal Revenue Code and is based upon information requested and received by NextEra Energy. Does not include the amounts for which the trade association directly pays tax on the portion that is not deductible under section 162(e) of the Internal Revenue Code.

(4) California Energy Storage Alliance dues were paid in 2019 for the year 2020.
