

In the opinion of Locke Lord LLP, Bond Counsel, based upon an analysis of existing law and assuming, among other matters, compliance with certain covenants, interest on the Series 2018 Bonds (as defined below) is excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986 (the "Code"), except that no opinion is expressed as to the status of interest on any Series 2018 Bond for any period that such Series 2018 Bond is held by a "substantial user" of the facilities financed by the Series 2018 Bonds or by a "related person" within the meaning of Section 147(a) of the Code. Interest on the Series 2018 Bonds is a specific preference item for purposes of the federal alternative minimum taxes imposed on corporations (which under currently applicable provisions of the Code is only imposed on corporations for their taxable years beginning before January 1, 2018) and for purposes of the federal alternative minimum tax imposed on individuals. Bond Counsel is also of the opinion that the Series 2018 Bonds and the interest thereon are exempt from taxation under the existing laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined therein. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Series 2018 Bonds. See "TAX MATTERS" herein for a more detailed description.

During an Alternate Interest Rate Period, the authorized denominations will be as set forth in a supplement to this Official Statement. Exchanges and transfers shall be made without charge to the Owners, except for any applicable tax, fee or governmental charge required. Except in connection with the remarketing of Series 2018 Bonds, the Registrar shall not be obligated to make any such exchange or transfer of Series 2018 Bonds during the 15 days preceding the date of the first mailing of notice of any proposed redemption of Series 2018 Bonds, nor shall the Registrar be required to make any registration or transfer of Series 2018 Bonds called for redemption.

Trustee. The Bank of New York Mellon Trust Company, N.A. is the Trustee.

Tender Agent, Paving Agent and Registrar. The Bank of New York Mellon Trust Company, N.A. is the Tender Agent/Paying Agent/Registrar. The Tender Agent/Paying Agent/Registrar may be removed or replaced by FPL.

Remarketing Agents. Wells Fargo Bank, National Association has been appointed initial Remarketing Agent with respect to the Series 2018A Bonds under the Indenture. KeyBanc Capital Markets Inc. has been appointed initial Remarketing Agent with respect to the Series 2018B Bonds under the Indenture. The term of appointment of any Remarketing Agent shall expire, and FPL shall appoint a successor Remarketing Agent, upon the adjustment of the interest rate determination method for the Series 2018 Bonds; provided, however, that FPL may appoint the then current Remarketing Agent of such Series 2018 Bonds as the successor Remarketing Agent. In addition, FPL may from time to time remove and replace any Remarketing Agent.

Book-Entry System

The Depository Trust Company (“DTC”), New York, New York, will act as securities depository for the Series 2018 Bonds. The Series 2018 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each series of the Series 2018 Bonds, in the aggregate principal amount of such Bonds, and will be deposited with the Trustee as custodian for DTC.

DTC is a limited purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the SEC. More information about DTC can be found at www.dtcc.com. The information contained on this Internet site is not incorporated herein by reference.

Purchases of the Series 2018 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2018 Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2018 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2018 Bonds, except in the event that use of the book-entry system for the Series 2018 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2018 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other

name as may be requested by an authorized representative of DTC. The deposit of Series 2018 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2018 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2018 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2018 Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Series 2018 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2018 Bond documents. For example, Beneficial Owners of Series 2018 Bonds may wish to ascertain that the nominee holding the Series 2018 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them. The Issuer, the Company, the Remarketing Agent, the Underwriters and the Trustee will not have any responsibility or obligation to such Direct and Indirect Participants or the persons for whom they act as nominees with respect to the Series 2018 Bonds.

Redemption notices will be sent to DTC. If less than all of the Series 2018 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2018 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2018 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Series 2018 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or the Trustee, on payable dates in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner will give notice to elect to have its Series 2018 Bonds purchased or tendered, through its Participant, to the Tender Agent, and will effect delivery of such Series 2018 Bonds by causing the Direct Participant to transfer the Participant's interest in the Series 2018 Bonds, on DTC's records, to the Tender Agent. The requirement for physical delivery of Series 2018 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Series 2018 Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Series 2018 Bonds to the Tender Agent's DTC account.

DTC may discontinue providing its services as securities depository with respect to the Series 2018 Bonds at any time by giving reasonable notice to the Issuer or the Trustee. In addition, FPL may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The Issuer, the Trustee, the Company, the Remarketing Agent and the Underwriters shall not have any responsibility or obligation to any Direct or Indirect Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the Series 2018 Bonds under or through DTC or any DTC Participant, or any other person which is not shown on the registration books of the Trustee as being a holder, with respect to the accuracy of any records maintained by DTC or any Direct or Indirect Participant; the payment by DTC or any Direct or Indirect Participant of any amount in respect of the principal of, purchase price, premium, if any, or interest on the Series 2018 Bonds; any notice which is permitted or required to be given to owners under the Indenture; the selection by DTC or any Direct or Indirect Participant of any person to receive payment in the event of a partial redemption of the Series 2018 Bonds; any consent given or other action taken by DTC as an owner; or any other procedures or obligations of DTC under the book-entry system.

So long as Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the registered owner of the Series 2018 Bonds, as nominee of DTC, references herein to the holders or owners or registered holders or registered owners of the Series 2018 Bonds means Cede & Co., as aforesaid, and does not mean the beneficial owners of the Series 2018 Bonds.

The foregoing description of the procedures and record keeping with respect to beneficial ownership interests in the Series 2018 Bonds, payment of principal, interest and other payments on the Series 2018 Bonds to Direct and Indirect Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interest in such Series 2018 Bonds and other related transactions by and between DTC, the Direct and Indirect Participants and the Beneficial Owners is based solely on information provided by DTC. Accordingly, no representations can be made concerning these matters, and neither the Direct nor Indirect Participants nor the Beneficial Owners should rely on the foregoing information with respect to such matters, but should instead confirm the same with DTC.

None of the Issuer, FPL, the Underwriters or the Trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial

interests in any Series 2018 Bond or for maintaining, supervising or reviewing any records relating to such beneficial interests.

Security for the Series 2018 Bonds

The Series 2018 Bonds are payable from the payments required to be made by FPL pursuant to the Agreement. All rights of the Issuer under the Agreement have been pledged and assigned by the Issuer to the Trustee, except certain rights to indemnification and reimbursement of expenses.

Any Series 2018 Bonds that bear interest at a Long-Term Interest Rate may, at the Company's discretion, also be secured by additional collateral or other credit enhancement as provided in the Agreement and the Indenture.

The Series 2018 Bonds will not constitute a debt, liability or obligation of the Issuer, the State of Florida or any political subdivision thereof. Neither the faith and credit nor the taxing power of the Issuer, the State of Florida or any political subdivision thereof is pledged to the payment thereof.

Interest Rate Periods

The term of the Series 2018 Bonds will be divided into consecutive Interest Rate Periods at the direction of FPL. Each series of Series 2018 Bonds may have different Interest Rate Periods from one another during the term. Each Interest Rate Period will be a Daily Interest Rate Period, Weekly Interest Rate Period, Commercial Paper Interest Rate Period, Long-Term Interest Rate Period or Alternate Interest Rate Period.

If FPL elects at any time to change to an Alternate Interest Rate Period, a supplement to this Official Statement will set forth the details thereof, including, without limitation, the manner of determining interest rates, the effective date of adjustment, the term of the Interest Rate Period, the interest payment dates and the provisions for tender for purchase and redemption, if any.

The initial Interest Rate Period for each of the Series 2018 Bonds will be a Daily Interest Rate Period. The interest rate or rates applicable during each subsequent Interest Rate Period will be determined as described below.

Determination of Interest Rates

General. During or with respect to each Interest Rate Period, other than any Alternate Interest Rate Period, the Remarketing Agent will determine the interest rate or rates applicable to the Series 2018 Bonds, which will be the minimum interest rate or rates which, if borne by the Series 2018 Bonds, would enable the Remarketing Agent to sell the Series 2018 Bonds on the applicable date at a price (without regard to accrued interest) equal to the principal amount thereof. The Remarketing Agent will base that determination on its examination of tax-exempt obligations comparable to the Series 2018 Bonds known by the Remarketing Agent to have been priced or traded under then-prevailing market conditions. The Indenture sets forth certain fallback rates if, for any reason, an interest rate or rates for the Series 2018 Bonds during any

Interest Rate Period is not so determined by the Remarketing Agent. Except during a Long-Term Interest Rate Period ending on the day immediately preceding the Maturity Date, the Daily, Weekly, Commercial Paper or Long-Term Interest Rate shall not exceed 12% per annum. If the Interest Rate Period is adjusted to be an Alternate Interest Rate Period, information relating to Alternate Interest Rates and the Alternate Interest Rate Period will be set forth in a supplement to this Official Statement.

Commencing on the first day of each Interest Rate Period and ending on the day preceding the effective date of the next Interest Rate Period, the Series 2018 Bonds will bear interest at a Daily Interest Rate, a Weekly Interest Rate, a Commercial Paper Interest Rate, a Long-Term Interest Rate or an Alternate Interest Rate, all determined as set forth below:

Daily Interest Rate. The Daily Interest Rate will be determined by the Remarketing Agent on each Business Day for that Business Day. The Daily Interest Rate for any day that is not a Business Day will be the same as the Daily Interest Rate in effect for the preceding Business Day.

Weekly Interest Rate. The Weekly Interest Rate will be determined by the Remarketing Agent no later than the Business Day preceding the first day of each Weekly Interest Rate Period and thereafter no later than the Business Day preceding Wednesday of each week during the Weekly Interest Rate Period. If, for any reason, the Weekly Interest Rate cannot be determined for any week by the Remarketing Agent, then the Weekly Interest Rate for such week shall be the same as the Weekly Interest Rate for the immediately preceding week.

Commercial Paper Periods and Commercial Paper Interest Rate. During a Commercial Paper Interest Rate Period, each Series 2018 Bond will bear interest at the Commercial Paper Interest Rate for that Series 2018 Bond through the day preceding the effective date of the next Commercial Paper Period for that Series 2018 Bond or the day preceding the next Interest Rate Period. Each Series 2018 Bond may have a different Commercial Paper Period and Commercial Paper Interest Rate. Each Commercial Paper Period and Commercial Paper Interest Rate for each Series 2018 Bond will be determined by the Remarketing Agent no later than the first day of the Commercial Paper Period.

Each Commercial Paper Period will be a period of not less than one nor more than 270 days determined by the Remarketing Agent (taking into account certain factors set forth in the Indenture) to be the period which, together with all other Commercial Paper Periods for Series 2018 Bonds then outstanding, will result in the lowest overall interest expense on the Series 2018 Bonds over such period. However, the Commercial Paper Period must end on either a day which precedes a Business Day or the day preceding the Maturity Date of the Series 2018 Bonds. If for any reason a Commercial Paper Period for any Series 2018 Bond cannot be so determined by the Remarketing Agent, it will extend by one Business Day (or until the earlier stated maturity of the Series 2018 Bonds) automatically until the Remarketing Agent is able to set the rate.

Long-Term Interest Rate. During each Long-Term Interest Rate Period, commencing and ending on the date or dates specified or determined as described below,

and during each successive Long-Term Interest Rate Period, if any, so determined, the Long-Term Interest Rate will be determined by the Remarketing Agent on the effective date of the Long-Term Interest Rate Period or on a Business Day selected by the Remarketing Agent not more than 30 days prior to such effective date. In the event of an adjustment from a Commercial Paper Interest Rate Period which results in the commencement of the Long-Term Interest Rate Period on two or more dates, a separate Long-Term Interest Rate will be determined by the Remarketing Agent effective as of each such date with respect to the particular Series 2018 Bonds adjusting to the Long-Term Interest Rate Period on such date.

Alternate Interest Rate. If the Interest Rate Period is adjusted to be an Alternate Interest Rate Period, information relating to the Alternate Interest Rate Period and Alternate Interest Rates will be set forth in a supplement to this Official Statement.

Payment of Principal and Interest. The principal of and premium, if any, on the Series 2018 Bonds shall be payable to the Owners of the Series 2018 Bonds upon presentation and surrender thereof at the Principal Office of the Trustee. Interest shall be payable by the Paying Agent by checks mailed to the Owners as of the Record Date in respect thereof or (except for interest in respect of a Long-Term Interest Rate Period) in immediately available funds by deposit to an account with the Paying Agent or by wire transfer to the accounts with commercial banks located within the United States of the Owners which shall have provided deposit or wire transfer instructions to the Paying Agent at least two Business Days prior to such Record Date, but, in the case of interest payable in respect of a Commercial Paper Period, only upon delivery of the Series 2018 Bond to the Tender Agent. So long as the Series 2018 Bonds are registered in the name of Cede & Co., payments of principal, premium, if any, and interest will be made as described above under “THE SERIES 2018 BONDS – Book-Entry System.”

Interest will be computed, in the case of a Long-Term Interest Rate Period, on the basis of a 360-day year consisting of twelve 30-day months and, in the case of any other Interest Rate Period, on the basis of a 365- or 366-day year, as appropriate, and the actual number of days elapsed.

Each Series 2018 Bond will bear interest from and including the Interest Accrual Date preceding the date of authentication thereof or, if that date of authentication is an Interest Accrual Date to which interest on the Series 2018 Bonds has been paid in full or duly provided for or the date of initial authentication of the Series 2018 Bonds, from that date of authentication. During each Interest Rate Period, interest on the Series 2018 Bonds will accrue and be payable as follows:

Daily Interest Rate Period. Interest on the Series 2018 Bonds will accrue on a monthly basis and will be payable on the fifth Business Day of each month.

Weekly Interest Rate Period. Interest on the Series 2018 Bonds will accrue on a monthly basis and will be payable on the first Wednesday of each month.

Commercial Paper Interest Rate Period. Interest on each Series 2018 Bond will accrue from the first day of each Commercial Paper Period for such Series 2018 Bond

through and including the last day of the Commercial Paper Period for such Series 2018 Bond and will be payable on the day after the last day of such Commercial Paper Period.

Long-Term Interest Rate Period. Interest on the Series 2018 Bonds will accrue from the Interest Payment Date through and including the day preceding the next Interest Payment Date and will be payable semiannually on the fifth day of the calendar month that is six months after the calendar month in which the adjustment to any Long-Term Interest Rate Period occurs and the fifth day of the calendar month every six months after each such payment date thereafter until the end of such Long-Term Interest Rate Period.

Alternate Interest Rate Period. If the Interest Rate Period is adjusted to be an Alternate Interest Rate Period, information relating to the Alternate Interest Rate Period will be set forth in a supplement to this Official Statement.

Adjustment of Interest Rate Period

General. At any time, by written direction to the Issuer, the Trustee, the Registrar, the Tender Agent, the Remarketing Agent and, with respect to an adjustment to an Alternate Interest Rate Period, any additional parties specified in a supplement to this Official Statement, FPL may elect to adjust the method of determining the interest rate with respect to the Series 2018 Bonds by adjusting to a different Interest Rate Period. That direction must specify the effective date of the new Interest Rate Period, which effective date must be a Business Day and may not be less than 15 days (unless the then current Interest Rate Period is a Long-Term Interest Rate Period and such Long-Term Interest Rate Period ends on a day prior to the day originally established as the last day thereof, in which case not less than 30 days) following the second Business Day after the receipt by the Trustee of the direction. Except in connection with adjustments from a Daily Interest Rate Period to a Weekly Interest Rate Period or Commercial Paper Interest Rate Period, from a Weekly Interest Rate Period to a Daily Interest Rate Period or Commercial Paper Interest Rate Period or from a Commercial Paper Interest Rate Period to a Daily Interest Rate Period or Weekly Interest Rate Period, that direction must be accompanied by a Favorable Opinion. Commencing on the effective date of an adjustment to another Interest Rate Period, the Series 2018 Bonds will bear interest at the applicable interest rate as described above.

Adjustment to Long-Term Interest Rate Period. In connection with its election to adjust to a Long-Term Interest Rate Period, FPL must specify, among other things:

- (1) the effective date of the Long-Term Interest Rate Period; and
- (2) a date or dates on or prior to which Owners are required to deliver Series 2018 Bonds to be purchased (if other than the effective date).

The direction by FPL to adjust to a Long-Term Interest Rate Period also may specify:

- (1) that the initial Long-Term Interest Rate Period will be followed by one or more successive Long-Term Interest Rate Periods and the durations thereof; and
- (2) redemption prices greater or lesser, and after periods longer or shorter, than those set forth in the Indenture.

If FPL designates successive Long-Term Interest Rate Periods, but does not, with respect to the second or any subsequent Long-Term Interest Rate Period, specify a date or dates on or prior to which Owners are required to deliver Series 2018 Bonds or any modified redemption provisions, all as contemplated above, FPL may later specify any of such information not previously specified with respect to such Long-Term Interest Rate Period.

Adjustment From Long-Term Interest Rate Period. At any time during a Long-Term Interest Rate Period, FPL may elect that the Series 2018 Bonds no longer will bear interest at the Long-Term Interest Rate and instead will bear interest at a Daily Interest Rate, a Weekly Interest Rate, Commercial Paper Interest Rates, an Alternate Interest Rate or a new Long-Term Interest Rate, as specified in such election. The effective date of an adjustment from a Long-Term Interest Rate Period must be the day after the last day of the Long-Term Interest Rate Period or a day on which the Series 2018 Bonds may be redeemed at the option of the Issuer, at the direction of FPL. The notice of such election must be given to the Trustee not later than 35 days before the effective date of the new Interest Rate Period. Series 2018 Bonds will be subject to mandatory tender for purchase on such effective date at a purchase price equal to the optional redemption price which would have been applicable on that date.

If, by the Business Day preceding the fifteenth day prior to the last day of any Long-Term Interest Rate Period, other than one of a succession of Long-Term Interest Rate Periods, FPL has not elected that the Series 2018 Bonds are to bear interest at a Daily Interest Rate, a Weekly Interest Rate, a Long-Term Interest Rate, Commercial Paper Interest Rates or an Alternate Interest Rate, the next Interest Rate Period will be (i) if the Long-Term Interest Rate Period to expire is longer than one year in duration, a Long-Term Interest Rate Period ending on the day immediately preceding the next Interest Payment Date (which must be a Business Day) which is at least one year and one day after the first day of the new Long-Term Interest Rate Period, in which case a Favorable Opinion will not be required or (ii) if the Long-Term Interest Rate Period to expire is one year in duration, a Daily Interest Rate Period and a Favorable Opinion will not be required.

Adjustment From Commercial Paper Interest Rate Period. At any time during a Commercial Paper Interest Rate Period, FPL may elect that Series 2018 Bonds no longer will bear interest at Commercial Paper Interest Rates and will instead bear interest at a Daily Interest Rate, a Weekly Interest Rate, a Long-Term Interest Rate or an Alternate Interest Rate, as specified in the election. That election also must specify whether the effective date of the new Interest Rate Period will be (1) a single day for all Series 2018 Bonds, in which case the effective date will be the day after the earliest date on which all Commercial Paper Periods shall end as determined by the Remarketing Agent, or (2) different for each Series 2018 Bond, in which case the effective date will be the day after the last day of the Commercial Paper Period then in effect (or to be in effect) with respect to such Series 2018 Bond.

Adjustment From Alternate Interest Rate Period. If the Interest Rate Period is adjusted to be an Alternate Interest Rate Period, information relating to adjustments from an Alternate Interest Rate Period to any other Interest Rate Period will be set forth in a supplement to this Official Statement.

Notice to Owners of Adjustment of Interest Rate Period. The Registrar will be required to give notice by first-class mail of an adjustment of the Interest Rate Period to the Owners of the Series 2018 Bonds not less than 15 days (unless the then current Interest Rate Period is a Long-Term Interest Rate Period and such Long-Term Interest Rate Period ends on a day prior to the day originally established as the last day thereof, in which case not less than 30 days) prior to the effective date of the adjustment of the Interest Rate Period. That notice must state the following:

- (1) the effective date of the new Interest Rate Period; and
- (2) that the Series 2018 Bonds are subject to mandatory tender for purchase on the effective date, setting forth the applicable purchase price and the procedures of such purchase.

Determinations Binding

The determination of the various interest rates and the bases therefor and the Commercial Paper Periods shall be conclusive and binding upon the Remarketing Agent, the Trustee, the Tender Agent, the Issuer, FPL and the Owners of the Series 2018 Bonds.

Purchase of Series 2018 Bonds

The Series 2018 Bonds during any Daily or Weekly Interest Rate Period will be purchased on the demand of the Owners thereof, and will be subject to mandatory tender for purchase, at the times and subject to the conditions described below. Payment for Series 2018 Bonds purchased will be made by the close of business on the date specified for purchase, if the conditions for that purchase described below have been strictly complied with by the Owners thereof.

During any Daily or Weekly Interest Rate Period when the Series 2018 Bonds are registered in the name of Cede & Co., tenders of the Series 2018 Bonds will be effected by means of DTC's Delivery Order Procedures. See "THE SERIES 2018 BONDS — Book-Entry System." Notice of any such tender must be given to the Tender Agent in the form set forth in Appendix D to this Official Statement. If a beneficial owner of a Series 2018 Bond fails to cause its beneficial ownership of such Series 2018 Bond to be transferred to the DTC account of the Tender Agent by the deadlines specified below, such Series 2018 Bond shall not be purchased and the beneficial owner may be subject to damages as specified in such notice.

If the book-entry system is discontinued, tendered Series 2018 Bonds must be accompanied by an instrument of transfer satisfactory to the Tender Agent, executed in blank by the Owner thereof or his duly authorized attorney, with such signature guaranteed by an "eligible guarantor institution" as defined by Rule 17Ad-15 promulgated under the Exchange Act. The Tender Agent may refuse to accept delivery of any Series 2018 Bond for which a proper instrument of transfer has not been provided. Notice of tender for purchase of Series 2018 Bonds by the Owners thereof will be irrevocable, once given to the Tender Agent as described below. In the event that any Owner of a Series 2018 Bond giving notice of tender for purchase fails to deliver its Series 2018 Bond to the Tender Agent at the place and on the applicable date and the time specified below, or fails to deliver the Series 2018 Bond properly endorsed and provided that funds in the amount of the purchase price thereof are available for payment to such

Owner at the date and the time specified below, from and after the date and time of that required delivery, (i) such Series 2018 Bond shall no longer be deemed to be outstanding under the Indenture, (ii) interest will no longer accrue thereon to such former Owner and (iii) funds in the amount of the purchase price of Series 2018 Bond, without interest, will be held by the Tender Agent for the benefit of such former Owner, to be paid on delivery (or proper endorsement) thereof to the Tender Agent

During Daily Interest Rate Period. During any Daily Interest Rate Period, any Series 2018 Bond or portion thereof in an authorized denomination will be purchased at the option of its Owner on any Business Day at a purchase price equal to the principal amount thereof, plus accrued interest from the Interest Accrual Date immediately preceding the date of purchase through the day immediately preceding the date of purchase, or, if the date of purchase is an Interest Accrual Date, at a purchase price equal to the principal amount thereof, payable in immediately available funds, upon delivery to the Tender Agent at its Principal Office, not later than 11:00 a.m., New York City time, on that Business Day, of an irrevocable written notice, or an irrevocable telephonic notice, promptly confirmed by telecopy or other writing, which states the principal amount of the Series 2018 Bond or such portion thereof and the date of purchase. For payment of such purchase price on the date specified in such notice, the Series 2018 Bond must be delivered, not later than 12:00 noon, New York City time, on such Business Day (together with necessary endorsements) to the Tender Agent at its Principal Office.

During Weekly Interest Rate Period. During any Weekly Interest Rate Period, any Series 2018 Bond or portion thereof in an authorized denomination will be purchased at the option of its Owner on any Business Day at a purchase price equal to the principal amount thereof plus accrued interest, if any, from the Interest Accrual Date immediately preceding the date of purchase through the day immediately preceding the date of purchase, or, if the date of purchase is an Interest Accrual Date, at a purchase price equal to the principal amount thereof, payable in immediately available funds, upon the delivery to the Tender Agent at its Principal Office of an irrevocable written notice, or an irrevocable telephonic notice, promptly confirmed by telecopy or other writing, which states the principal amount of the Series 2018 Bond or such portion thereof and the date on which the Series 2018 Bond is to be purchased, which date must be a Business Day not prior to the seventh day after the date of the delivery of the notice to the Tender Agent. For payment of such purchase price on the date specified in such notice, the Series 2018 Bond must be delivered, not later than 12:00 noon, New York City time, on the date specified in the notice (together with necessary endorsements) to the Tender Agent at its Principal Office.

During Commercial Paper Interest Rate Period – Mandatory Tender for Purchase on Day After the Last Day of Each Commercial Paper Period. On the Business Day after the last day of the Commercial Paper Period for a Series 2018 Bond, unless such day is the first day of a new Interest Rate Period (in which event such Series 2018 Bond will be subject to mandatory tender for purchase as described under “Mandatory Tender for Purchase on First Day of Each Interest Rate Period”), such Series 2018 Bond will be purchased, at a purchase price equal to the principal amount thereof, payable in immediately available funds. For payment of such purchase price on such day, such Series 2018 Bond must be delivered (together with necessary endorsements) at or prior to 12:30 P.M., New York City time on such day, to the Tender Agent at its Principal Office. During any Commercial Paper Period, with respect to a Series 2018

Bond, the Owner of that Series 2018 Bond will not have the right to demand the purchase thereof.

Mandatory Tender for Purchase on First Day of Each Interest Rate Period. The Series 2018 Bonds will be subject to mandatory tender for purchase, at a purchase price equal to 100% of the principal amount thereof (or, if applicable, upon adjustment from a Long-Term Interest Rate Period prior to the expiration of such Long-Term Interest Rate Period, at a purchase price equal to the applicable optional redemption price), payable in immediately available funds, on the first day of the succeeding Interest Rate Period.

Purchase During Alternate Interest Rate Period. If the Interest Rate Period is adjusted to be an Alternate Interest Rate Period, information relating to the purchase of Series 2018 Bonds during an Alternate Interest Rate Period will be set forth in a supplement to this Official Statement.

Purchase and Remarketing of Series 2018 Bonds

On the date on which Series 2018 Bonds are required to be purchased, the Tender Agent shall purchase such Series 2018 Bonds with funds provided from the remarketing of such Series 2018 Bonds or by FPL pursuant to the Agreement. The Issuer has no obligation to provide any moneys whatsoever for the payment of the purchase price for the Series 2018 Bonds.

On the day of purchase of Series 2018 Bonds by the Tender Agent, the Remarketing Agent shall use its best efforts to sell such Series 2018 Bonds in accordance with the Indenture.

Redemption

Optional Redemption During Daily or Weekly Interest Rate Period. On any Business Day during a Daily Interest Rate Period or a Weekly Interest Rate Period, the Series 2018 Bonds shall be subject to optional redemption by the Issuer, at the direction of FPL, in whole or in part, at a redemption price equal to 100% of the principal amount thereof, plus accrued interest, if any, to the redemption date.

Optional Redemption During Commercial Paper Interest Rate Period. During any Commercial Paper Interest Rate Period, each Series 2018 Bond will be subject to optional redemption by the Issuer, at the direction of FPL, on the day after the last day of each Commercial Paper Period for that Series 2018 Bond, in whole or in part, at a redemption price equal to the principal amount thereof.

Optional Redemption During Long-Term Interest Rate Period. During any Long-Term Interest Rate Period, the Series 2018 Bonds are subject to optional redemption by the Issuer, at the direction of FPL (i) on the final Interest Payment Date for such Long-Term Interest Rate Period, at a redemption price equal to 100% of the principal amount thereof plus interest accrued, if any, to the redemption date, and (ii) prior to the end of the then current Term Rate Period, at any time during the redemption periods and at the redemption prices set forth below, plus interest accrued, if any, to the redemption date:

<u>Original Length of Current Term Rate Period (Years)</u>	<u>Commencement of Redemption Period</u>	<u>Redemption Price as Percentage of Principal</u>
More than 10 years	Tenth anniversary of commencement of Long-Term Interest Rate Period	100%
Equal to or less than 10 years	Non-callable	Non-callable

If FPL has given notice of a change in the Long-Term Interest Rate Period or notice of an adjustment of the Interest Rate Period for the Series 2018 Bonds to the Long-Term Interest Rate Period and, prior to such change in the Long-Term Interest Rate Period or such adjustment, FPL has provided (i) a certification of the Remarketing Agent to the Trustee and the Issuer that the foregoing schedule is not consistent with prevailing market conditions and (ii) a Favorable Opinion of Bond Counsel addressed to the Trustee and the Issuer that a change in the redemption provisions of the Series 2018 Bonds will not adversely affect the exclusion from gross income of interest on the Series 2018 Bonds for federal income tax purposes, the foregoing redemption periods and redemption prices may be revised, effective as of the date of such adjustment in the Long-Term Interest Rate Period or an adjustment to the Long-Term Interest Rate Period, as determined by the Remarketing Agent in its judgment, taking into account the then prevailing market conditions as set forth in such certification. Any such revision of the redemption periods and redemption prices will not be considered an amendment of or a supplement to the Indenture and will not require the consent of any Owner or any other Person or entity.

Extraordinary Optional Redemption

During any Long-Term Interest Rate Period, the Series 2018 Bonds will be subject to redemption in whole, upon the optional prepayment by FPL of all the Loan Repayments (as defined below), at a redemption price of 100% of the principal amount thereof plus accrued interest to the date fixed for redemption, if:

- (a) FPL shall have determined that the continued operation of any portion of the Project is impracticable, uneconomical or undesirable; or
- (b) all or substantially all of or any portion of the Project shall have been condemned or taken by eminent domain; or
- (c) the operation by FPL of any portion of the Project shall have been enjoined for a period of at least six consecutive months; or
- (d) as a result of any change in the Constitution of the State of Florida or the Constitution of the United States of America, or as a result of any legislative or administrative action (whether state or federal) or by final decree, judgment or order of any court or administrative body (whether state or federal) after any contest thereof by FPL in good faith, the Indenture, the Agreement or the Series

2018 Bonds shall become void or unenforceable or impossible of performance in accordance with the intent and purposes of the parties as expressed in the Agreement.

In addition, during any period during a Long-Term Interest Rate Period during which the Series 2018 Bonds are not subject to optional redemption by the Issuer at the direction of FPL as described under “REDEMPTION – Optional Redemption During Long-Term Interest Rate Period” above, the Series 2018 Bonds will be nonetheless subject to optional redemption by the Issuer, at the direction of FPL, in whole or in part, at any time, if FPL delivers to the Trustee a written certificate (i) to the effect that by reason of a change in use of the Project or any portion thereof, FPL has been unable, after reasonable effort, to obtain an opinion of nationally recognized bond counsel to the effect that a court, in a properly presented case, should decide that (a) Section 150 of the Internal Revenue Code of 1986, as amended (the “Code”) (or successor provision of similar import), does not prevent that portion of the Loan Repayments payable under the Agreement and attributable to interest on the Series 2018 Bonds from being deductible by FPL for federal income tax purposes and (b) Treasury Regulations Section 1.142-2 (or a successor provision of similar import) does not prevent interest on the Series 2018 Bonds from being excluded for federal income tax purposes from the gross income of the owners thereof (other than in the hands of an owner of a Series 2018 Bond who is a “substantial user” of the Project or a “related person” within the meaning of Section 147(a) of the Code), (ii) specifying that as a result of its inability to obtain such opinion of nationally recognized bond counsel, FPL has elected to prepay amounts due under the Agreement equal to the redemption price of the Series 2018 Bonds to be so redeemed and (iii) specifying the principal amount of the Series 2018 Bonds which FPL has determined to be the minimum necessary to be so redeemed in order for FPL to retain its rights to such interest deductions and for interest on the Series 2018 Bonds to retain such exclusion from gross income for federal income tax purposes (which principal amount of the Series 2018 Bonds will be so redeemed). The redemption price for the Series 2018 Bonds shall be equal to the outstanding principal amount thereof, plus accrued interest, if any, to the redemption date.

Extraordinary Mandatory Redemption

The Series 2018 Bonds are subject to mandatory redemption by the Issuer, at the principal amount thereof plus accrued interest to the redemption date, on the 180th day (or such earlier date as may be designated by FPL) after a final determination by a court of competent jurisdiction or an administrative agency, or receipt by the Issuer and FPL of an opinion of a nationally recognized bond counsel obtained by FPL and rendered at the request of FPL, to the effect that (a) as a result of a failure by FPL to perform or observe any covenant or agreement in the Agreement, or the inaccuracy of any representation, the interest on the Series 2018 Bonds is included for federal income tax purposes in the gross income of the Bondholders thereof, or would be so included absent such redemption, or (b) such redemption is required under the terms of a closing agreement or other similar agreement with the Internal Revenue Service settling an issue raised in connection with an audit of the Series 2018 Bonds or in connection with a submission to the Internal Revenue Service Voluntary Closing Agreement Program or similar program. No determination by any court or administrative agency will be considered final for such purpose unless FPL has had an opportunity to participate in the proceeding which resulted in such determination, either directly or through an owner of a Series 2018 Bond, to a degree it

deems sufficient and until the conclusion of any court proceeding initiated after a final agency determination, and of any appellate review sought by any party to such agency or court proceeding or the expiration of the time for seeking such review. The Series 2018 Bonds will be redeemed either in whole or in part in such principal amount that the interest payable on the Series 2018 Bonds remaining outstanding after such redemption would not be included in the gross income of any owner thereof, other than an owner of a Series 2018 Bond who is a “substantial user” of the Project or a “related person” within the meaning of Section 147(a) of the Code.

Selection of Series 2018 Bonds to be Redeemed

In the case of the redemption of less than all of the outstanding Series 2018 Bonds, the Series 2018 Bonds to be redeemed shall be selected by the Trustee, by lot or in such other manner as the Trustee in its discretion may determine to be fair and appropriate, in the principal amounts designated by FPL or otherwise as required by the Indenture; provided, however, that in connection with any redemption of Series 2018 Bonds, the Trustee shall first select for redemption any Series 2018 Bond held by the Tender Agent for the account of FPL, and that if FPL shall have offered to purchase all Series 2018 Bonds then outstanding and less than all of such Series 2018 Bonds have been tendered to FPL for such purchase, the Trustee, at the direction of FPL, shall select for redemption all such Series 2018 Bonds which have not been so tendered; and provided further that the portion of any Series 2018 Bond to be redeemed shall be in a principal amount constituting an authorized denomination of such Series 2018 Bond and that, in selecting Series 2018 Bonds for redemption, the Trustee shall treat each Series 2018 Bond as representing that number of Series 2018 Bonds which is obtained by dividing the principal amount of such Series 2018 Bond by the minimum authorized denomination of such Series 2018 Bond. See “THE SERIES 2018 BONDS – Book-Entry System.”

Notice and Effect of Redemption

A notice of redemption will be mailed, at least 30 days before the redemption date of any Series 2018 Bonds, to all owners of Series 2018 Bonds to be redeemed in whole or in part, but failure to mail any such notice to the owner of a Series 2018 Bond shall not affect the validity of the proceedings for the redemption of any other Series 2018 Bonds.

Any notice of redemption, except a notice of extraordinary mandatory redemption, shall, unless at the time such notice is given the Series 2018 Bonds to be redeemed shall be deemed to have been paid under the terms of the Indenture (see “THE INDENTURE – Defeasance”), state that the redemption to be effected is, and such redemption shall be, conditioned upon the receipt by the Trustee on or prior to the redemption date of moneys sufficient to pay the principal of and premium, if any, and interest on the Series 2018 Bonds to be redeemed and if such moneys are not so received such notice shall be of no force or effect and such Series 2018 Bonds shall not be redeemed.

Any Series 2018 Bonds selected for redemption, which are deemed to have been paid under the terms of the Indenture, will cease to bear interest on the date fixed for redemption.

Redemption During Alternate Interest Rate Period

If the Interest Rate Period is adjusted to be an Alternate Interest Rate Period, information relating to redemption during an Alternate Interest Rate Period will be set forth in a supplement to this Official Statement.

SPECIAL CONSIDERATIONS RELATING TO THE SERIES 2018 BONDS

The Remarketing Agent is Paid by FPL

The Remarketing Agent's responsibilities include determining the interest rate from time to time and remarketing the Series 2018 Bonds that are optionally or mandatorily tendered by the owners thereof (subject, in each case, to the terms of the Indenture and the Remarketing Agreement), all as further described in this Official Statement. The Remarketing Agent is appointed by FPL and is paid by FPL for its services. As a result, the interests of the Remarketing Agent may differ from those of existing holders and potential purchasers of the Series 2018 Bonds.

The Remarketing Agent Routinely Purchases Bonds for its Own Account

The Remarketing Agent acts as remarketing agent for a variety of variable rate demand obligations and, in its sole discretion, routinely purchases such obligations for its own account. The Remarketing Agent is permitted, but not obligated, to purchase tendered Series 2018 Bonds for its own account and, in its sole discretion, may routinely acquire such tendered Series 2018 Bonds in order to achieve a successful remarketing of the Series 2018 Bonds (i.e., because there otherwise are not enough buyers to purchase the Series 2018 Bonds) or for other reasons. However, the Remarketing Agent is not obligated to purchase Bonds, and may cease doing so at any time without notice. The Remarketing Agent also may make a market in the Series 2018 Bonds by routinely purchasing and selling Series 2018 Bonds other than in connection with an optional or mandatory tender and remarketing. Such purchases and sales may be at or below par. However, the Remarketing Agent is not required to make a market in the Series 2018 Bonds. The Remarketing Agent also may sell any Series 2018 Bonds it has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce its exposure to the Series 2018 Bonds. The purchase of Series 2018 Bonds by the Remarketing Agent may create the appearance that there is greater third party demand for the Series 2018 Bonds in the market than is actually the case. The practices described above also may result in fewer Series 2018 Bonds being tendered in a remarketing.

Bonds May be Offered at Different Prices on Any Date Including an Interest Rate Determination Date

Pursuant to the Indenture and the Remarketing Agreement, the Remarketing Agent is required to determine the applicable rate of interest that, in its judgment, is the lowest rate that would permit the sale of the Series 2018 Bonds bearing interest at the applicable interest rate at par plus accrued interest, if any, on and as of the applicable interest rate determination date. The interest rate will reflect, among other factors, the level of market demand for the Series 2018 Bonds (including whether the Remarketing Agent is willing to purchase Series 2018 Bonds for

its own account). There may or may not be Series 2018 Bonds tendered and remarketed on an interest rate determination date, the Remarketing Agent may or may not be able to remarket any Series 2018 Bonds tendered for purchase on such date at par and the Remarketing Agent may sell Series 2018 Bonds at varying prices to different investors on such date or any other date. The Remarketing Agent is not obligated to advise purchasers in a remarketing if it does not have third party buyers for all of the Series 2018 Bonds at the remarketing price. In the event the Remarketing Agent owns any Series 2018 Bonds for its own account, it may, in its sole discretion in a secondary market transaction outside the tender process, offer such Series 2018 Bonds on any date, including the interest rate determination date, at a discount to par to some investors.

The Ability to Sell the Series 2018 Bonds Other Than Through the Tender Process May Be Limited

The Remarketing Agent may buy and sell Series 2018 Bonds other than through the tender process. However, it is not obligated to do so and may cease doing so at any time without notice and may require holders that wish to tender their Series 2018 Bonds to do so through the Tender Agent with appropriate notice. Thus, investors who purchase the Series 2018 Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their Series 2018 Bonds other than by tendering the Series 2018 Bonds in accordance with the tender process.

Under Certain Circumstances, the Remarketing Agent May Be Removed, Resign or Cease Remarketing the Series 2018 Bonds, Without a Successor Being Named

Under certain circumstances, the Remarketing Agent may be removed or have the ability to resign or cease its remarketing efforts, without a successor having been named, subject to the terms of the Indenture and the Remarketing Agreement.

THE AGREEMENT

Loan Repayments

FPL has agreed to pay to the Trustee for the account of the Issuer an amount equal to the principal amount of the Series 2018 Bonds and an amount equal to the aggregate of the premium, if any, and interest on the Series 2018 Bonds (the “Loan Repayments”) at such times and in such amounts and in the manner provided in the Indenture for the Issuer to cause payments to be made to the Owners of the Series 2018 Bonds of the principal of and premium, if any, and interest on the Series 2018 Bonds.

Agreement to Acquire and Construct the Project

FPL is obligated in the Agreement to use commercially reasonable efforts to cause the acquisition, construction and installation of the Project to be performed with reasonable dispatch in accordance with the plans and specifications therefor, delays by reason of “force majeure” beyond the reasonable control of FPL excepted, but if for any reason such acquisition, construction and installation is not completed there shall be no diminution in the Loan Repayments and other amounts required to be paid by FPL under the Agreement.

FPL Obligations Unconditional

Until such time as the principal of and premium, if any, and interest on the Series 2018 Bonds shall have been fully paid or deemed paid in accordance with the Indenture, FPL's obligations under the Agreement are absolute and unconditional and FPL has agreed that it (a) will not suspend or discontinue payment of any amounts required to be paid by it under the Agreement, (b) will perform and observe all of its other agreements contained in the Agreement, and (c) except as permitted by the Agreement, will not terminate the Agreement for any cause.

Payments for Series 2018 Bonds Delivered for Purchase

FPL will agree to deposit, on or prior to the purchase date of the Series 2018 Bonds to be purchased from the Owners thereof as described under the heading "THE SERIES 2018 BONDS – Purchase of Series 2018 Bonds," an amount of money which, together with other moneys available for such purpose, will be sufficient to effect the purchase of such Series 2018 Bonds.

Merger, Sale or Consolidation

FPL has agreed that, so long as any Series 2018 Bonds are outstanding, it will maintain its legal existence, will not dissolve or otherwise dispose of all or substantially all of its assets and will not consolidate with or merge into one or more other entities or permit one or more other entities to consolidate with or merge into it; provided, that FPL may consolidate with or merge into one or more other entities, or permit one or more other entities to consolidate with or merge into it, or sell or otherwise transfer to one or more other entities all or substantially all of its assets as an entirety and thereafter dissolve, provided the surviving, resulting or transferee entity or entities, as the case may be (if other than FPL), assumes or assume in writing all of the obligations of FPL in the Agreement, and, if not organized under the laws of the State of Florida, is or are qualified to do business in the State of Florida.

Events of Default

The occurrence of any one or more of the following is an event of default under the Agreement: (a) failure by FPL to pay or cause to be paid when due the Loan Repayments in the amounts and at the times specified in the Agreement or the amounts necessary to enable the Tender Agent to pay the Purchase Price of Series 2018 Bonds delivered to it for purchase, which failure shall have resulted in an event of default described in clause (a), (b) or (c) under "THE INDENTURE – Events of Default;" (b) failure by FPL to observe or to perform any other covenant, condition, representation or agreement in the Agreement on its part to be observed or performed for a period of 90 days after written notice thereof to FPL by the Issuer or the Trustee, which may, and upon the written request of the Owners of not less than a majority in aggregate principal amount of the Series 2018 Bonds shall, give such notice, unless such period is extended by the Issuer and the Trustee or the Issuer, the Trustee and the Owners of Series 2018 Bonds, as provided in the Agreement (provided, however, that the Issuer and the Trustee or the Issuer, the Trustee and the Owners of the Series 2018 Bonds, as provided in the Agreement, as the case may be, will be deemed to have agreed to an extension of such period if corrective action is initiated by FPL within such period and is being diligently pursued), or unless such obligations are suspended by reason of force majeure, as defined in the Agreement; (c) 90 days after certain

events of bankruptcy, liquidation or reorganization or (d) certain events of bankruptcy, dissolution, liquidation or reorganization by FPL.

Remedies

Acceleration and Limitations Thereon

Upon the occurrence and continuance of an event of default described in clause (a), (c) or (d) in “Events of Default,” and further upon the condition that all Series 2018 Bonds outstanding under the Indenture shall have become immediately due and payable, the Loan Repayments shall, without further action, become immediately due and payable.

Any waiver of an event of default under the Indenture and a rescission and annulment of its consequences shall constitute a waiver of the corresponding event of default under the Agreement and a rescission and annulment of the consequences thereof.

Other Remedies

Upon the occurrence and continuance of any event of default, the Trustee as the Issuer’s assignee may take whatever action at law or in equity may appear necessary or desirable to collect the Loan Repayments then due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of FPL under the Agreement.

Amendment

As provided in the Indenture, the Issuer and FPL may enter into, and the Trustee may consent to, without the consent of the Owners of the Series 2018 Bonds, such agreements supplemental to the Agreement as shall not be inconsistent with the terms and provisions of the Agreement, and shall not be, in the opinion of Bond Counsel, detrimental to the interests of the Owners of the Series 2018 Bonds: (a) to cure any ambiguity or defect or omission in the Agreement or in any supplemental agreement, (b) to grant to or confer upon the Issuer or the Trustee for the benefit of the Owners of the Series 2018 Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Issuer or the Owners of the Series 2018 Bonds or the Trustee, (c) to correct any description of, or to reflect changes in, any properties comprising the Project, (d) in connection with any other changes which, in the judgment of the Trustee, will not restrict, limit or reduce the obligation of FPL to make the Loan Repayments or otherwise materially impair the security of the Owners of the Series 2018 Bonds under the Indenture, or (e) to make amendments in connection with the issuance of Completion Bonds (as defined below). Any other amendment of the Agreement requires the consent of the Owners of a majority in aggregate principal amount of all Series 2018 Bonds then outstanding.

THE INDENTURE

Assignment of Issuer's Interest

Under the Indenture, the Issuer has pledged and assigned to the Trustee the Issuer's rights under the Agreement, including the Loan Repayments, except for certain rights to indemnification and reimbursement of expenses.

Creation of Construction Fund

The Indenture creates a Construction Fund. The Trustee will deposit the proceeds of the sale of the Series 2018 Bonds, minus each Underwriter's discount and expenses, into the Construction Fund. The moneys in the Construction Fund shall be held by the Trustee in trust and, subject to the terms of the Indenture, will be applied to the payment of the Cost of the Project (as described in the Indenture) and, pending such application, shall be subject to the lien of the Indenture.

Creation of Bond Fund

The Indenture creates a Bond Fund. Moneys deposited in the Bond Fund are to be held in trust by the Trustee and, pending application in accordance with the Indenture, are subject to a lien and charge in favor of the Owners of the Series 2018 Bonds outstanding under the Indenture and to the prior lien of the Trustee for payment of its fees and expenses.

There shall be deposited to the credit of the Bond Fund (a) the accrued interest, if any, received on the sale of the Series 2018 Bonds, (b) all Loan Repayments, and (c) all other moneys received by the Trustee under and pursuant to any of the provisions of the Agreement or otherwise which are required or are accompanied by directions from FPL or the Issuer that such moneys are to be paid into the Bond Fund.

Moneys in the Bond Fund shall be used for the payment of the principal of and premium, if any, and interest on the Series 2018 Bonds or for the redemption or purchase of Series 2018 Bonds in accordance with the terms of the Indenture.

Creation of a Purchase Fund

The Indenture creates a Purchase Fund. Moneys deposited in the Purchase Fund are to be held by the Tender Agent for the purchase of Series 2018 Bonds pursuant to the Indenture and are not pledged to pay principal of or interest or any premium on the Series 2018 Bonds.

Investment of Funds

The Trustee shall, at the request of FPL, invest moneys held in the Bond Fund in the investments or securities specified in the Indenture. Gains or losses resulting from the investment of moneys in the Bond Fund will be credited or charged to such Fund.

Completion Bonds

At the direction of FPL, and upon satisfaction of the conditions set forth in the Indenture, the Issuer may issue up to \$45,000,000 aggregate principal amount of completion bonds in one or more series to complete the Project (“Completion Bonds”). Each issue of Completion Bonds will be on a parity and equally and ratably secured under the Indenture with the Series 2018 Bonds and any other Completion Bonds previously issued, without preference, priority, or distinction of any Series 2018 Bonds or Completion Bonds over any other Series 2018 Bonds or Completion Bonds. In the event Completion Bonds are to be issued it is expected that the Indenture and the Agreement will be supplemented to take into account the issuance of such Completion Bonds and a supplement to this Official Statement will be prepared.

Defeasance

If there is paid to the Owners of all of the Series 2018 Bonds the principal of and premium, if any, and interest on the Series 2018 Bonds due and thereafter to become due, together with all other sums payable under the Indenture, then the rights, title and interest of the Trustee in the estate pledged and assigned to it under the Indenture shall cease, and the Series 2018 Bonds shall cease to be entitled to the lien of the Indenture. The Trustee shall thereupon turn over to FPL any surplus in the Bond Fund and any other fund created under the Indenture. If the principal of and premium, if any, and interest due and thereafter to become due is paid on less than all the Series 2018 Bonds then outstanding, such Series 2018 Bonds shall cease to be entitled to the lien, benefit or security under the Indenture.

Any or all Series 2018 Bonds then bearing interest at a Long-Term Interest Rate during a Long-Term Interest Rate Period ending on or after the redemption date or on the day immediately preceding the maturity date, as the case may be, or at Commercial Paper Interest Rates for Commercial Paper Periods which end on the redemption date or the day immediately preceding the maturity date, as the case may be, shall be deemed to have been paid when (a) in the case of Series 2018 Bonds to be redeemed, FPL shall have given to the Trustee irrevocable instructions to mail the notice of redemption therefor, (b) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or obligations issued or unconditionally guaranteed by the United States of America, or certain securities which represent interests in such obligations, the principal of and interest on which, when due, will provide moneys which, together with any moneys also deposited with or held by the Trustee, shall be sufficient to pay when due the principal of and premium, if any, and interest due or to become due on such Series 2018 Bonds, and (c) in the event such Series 2018 Bonds do not mature and are not to be redeemed within the next succeeding 60 days, FPL shall have given the Trustee irrevocable instructions to mail, as soon as permitted by the Indenture, a notice to the Owners of such Series 2018 Bonds stating that the above deposit has been made with the Trustee and that such Series 2018 Bonds are deemed to have been paid and stating the maturity or redemption date upon which moneys are to be available to pay the principal of and premium, if any, and interest on such Series 2018 Bonds. The provisions of the Indenture relating to the rights of the Owners of the Series 2018 Bonds to payment, registration, transfer and exchange shall remain in full force and effect with respect to all Series 2018 Bonds until the maturity date of the Series 2018 Bonds or the last date fixed for redemption of all Series 2018 Bonds prior to maturity notwithstanding that the Series 2018 Bonds are deemed to be paid as described above. If less

than all Series 2018 Bonds are to be defeased, the Trustee shall select such Series 2018 Bonds in the manner described under “THE SERIES 2018 BONDS – Selection of Series 2018 Bonds to be Redeemed.”

Events of Default

The occurrence of any one or more of the following shall be an event of default under the Indenture: (a) failure to pay the principal of or premium, if any, on the Series 2018 Bonds when the same shall become due and payable, whether at maturity, through unconditional proceedings for redemption or otherwise; (b) failure to pay interest on any of the Series 2018 Bonds when the same shall become due and payable and the continuation of such failure for one Business Day; (c) a failure to pay amounts due to Owners of the Series 2018 Bonds for purchase thereof after such payment has become due and payable and the continuation of such failure for one Business Day; (d) failure to perform any other covenant, condition, agreement or provision contained in the Series 2018 Bonds or in the Indenture on the part of the Issuer to be performed for a period of 90 days after written notice thereof to the Issuer which may, and upon the written request of the Owners of not less than a majority in aggregate principal amount of the Series 2018 Bonds then outstanding shall, be given by the Trustee, unless such period is extended by the Trustee, or the Trustee and the Owners of the Series 2018 Bonds, as provided in the Indenture; provided, however, that the Trustee, or the Trustee and the Owners of the Series 2018 Bonds, as provided in the Indenture, as the case may be, will be deemed to have agreed to an extension of such period if corrective action is instituted by the Issuer or FPL within such period and is being diligently pursued; or (e) an event of default as defined in the Agreement.

Remedies

Acceleration and Limitations Thereon

Upon the occurrence and continuance of an event of default described in clause (a), (b), or (c) above in “Events of Default,” or an event of default described in clauses (c) or (d) above under “THE AGREEMENT – Events of Default,” the Trustee may, and upon the written request of the Owners of not less than a majority in aggregate principal amount of the Series 2018 Bonds then outstanding shall, by notice in writing to the Issuer and FPL, declare the principal of the Series 2018 Bonds then outstanding (if not then due and payable) to be immediately due and payable.

The provisions of the preceding paragraph, however, are subject to the condition that, if, after the principal of the Series 2018 Bonds has been declared to be due and payable, and before any judgment or decree for the payment of the moneys due has been obtained or entered, FPL, pursuant to the Agreement, shall deposit with the Trustee an amount sufficient to pay all matured installments of interest upon the Series 2018 Bonds and the principal of the Series 2018 Bonds which have become due otherwise than by reason of such declaration (with interest upon such principal and, to the extent permissible by law, on overdue installments of interest, at the rate per annum borne by the Series 2018 Bonds on the date of such declaration) and such amounts as are sufficient to cover reasonable compensation and reimbursement of expenses payable to the Trustee, and all events of default under the Indenture other than nonpayment of the principal of Series 2018 Bonds which shall have become due by such declaration have been remedied, then,

such event of default will be deemed waived and such declaration and its consequences rescinded and annulled. The Trustee will promptly give written notice of such waiver, rescission and annulment to the Issuer, FPL, the Tender Agent, the Remarketing Agent, and, if notice of the acceleration of the Series 2018 Bonds has been given to the Owners, notice shall be given to the Owners. No such waiver, rescission and annulment shall extend to or affect any subsequent event of default or impair any right or remedy consequent thereon.

Notwithstanding anything contained in the Indenture to the contrary, the Trustee, upon the written request of the holders of not less than a majority in aggregate principal amount of the Series 2018 Bonds then outstanding, shall waive any event of default under the Indenture and its consequences; provided, however, that, except under certain circumstances described in the Indenture, an event of default under clauses (a), (b) or (c) above in “Events of Default” with respect to any Bonds may not be waived without the written consent of the holders of all such Bonds.

Other Remedies

Upon the occurrence and continuance of any event of default, the Trustee may, and upon the written request of the Owners of not less than a majority in aggregate principal amount of the Series 2018 Bonds then outstanding shall, upon receipt of indemnity to its satisfaction, proceed to protect and enforce its rights and the rights of the Owners of the Series 2018 Bonds under the laws of the State of Florida, the Indenture and the Agreement by the exercise of any proper legal or equitable remedy as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights.

Owners’ Right to Direct Proceedings

The Owners of a majority in principal amount of the Series 2018 Bonds then outstanding shall have the right, upon receipt by the Trustee of indemnity to its satisfaction, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee. No Owner of any of the Series 2018 Bonds shall have any right to institute any suit, action or proceeding in equity or at law on any Series 2018 Bond or for the execution of any trust under the Indenture or for any other remedy thereunder except as provided in the Indenture, but nothing in the Indenture shall affect or impair the right of any Owner of a Series 2018 Bond to enforce the payment of the principal of and premium, if any, and interest on such Series 2018 Bond to the Owner thereof at the time and place stated in such Series 2018 Bond.

Amendment

The Issuer and the Trustee may, with the consent of FPL but without the consent of the Owners of the Series 2018 Bonds, enter into such supplemental indentures as shall not be inconsistent with the terms and provisions of the Indenture and shall not be, in the opinion of Bond Counsel, detrimental to the interests of the Owners of the Series 2018 Bonds (except to the extent permitted under (k) below): (a) to cure any ambiguity or defect or omission in the Indenture or in any supplemental indenture, (b) to grant to or confer upon the Trustee for the benefit of the Owners of the Series 2018 Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Owners of the Series

2018 Bonds or the Trustee, (c) to confirm the lien of the Indenture or to subject to the Indenture additional revenues, properties or collateral, (d) to correct any description of, or to reflect changes in, any properties comprising the Project, (e) to authorize a different denomination or denominations of the Series 2018 Bonds and to make correlative amendments to the Indenture, (f) to increase or decrease the number of days prior to an adjustment of the interest rate that notice need be given by FPL to the Trustee and by the Trustee to the Owners of the Series 2018 Bonds, provided that no decrease in any such number of days shall become effective except during a Daily or a Weekly Interest Rate Period and until 30 days after the Trustee shall have given notice thereof to the Owners of the Series 2018 Bonds affected thereby; (g) in connection with any other change which, in the judgment of the Trustee, will not restrict, limit or reduce the obligation of the Issuer to pay the principal of, and interest on the Series 2018 Bonds or otherwise impair the security of the Owners of the Series 2018 Bonds under the Indenture, (h) to modify, amend or supplement the Indenture or any supplemental indenture in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute or to permit the qualification of the Series 2018 Bonds for sale under the securities laws of any of the states of the United States of America, (i) to make amendments to the provisions of the Indenture relating to matters under Section 148(f) of the Code, provided that an opinion of Bond Counsel, to the effect that such amendments will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Series 2018 Bonds, is delivered to the Trustee; (j) to make any amendments necessary or appropriate to provide for the delivery of any insurance policy, irrevocable transferable letter of credit or other security device delivered to the Trustee (k) on any date on which all Series 2018 Bonds are subject to mandatory purchase to modify the Indenture in any respect (even if to the adverse interest of Owners) provided that such supplement will not be effective until after such mandatory purchase and the payment of the purchase price in connection therewith or (l) to make amendments in connection with the issuance of Completion Bonds.

FPL and the Owners of not less than a majority in aggregate principal amount of the Series 2018 Bonds then outstanding shall have the right to consent to the execution by the Issuer and the Trustee of such other supplemental indentures as shall be deemed necessary or desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular way, any of the terms or provisions contained in the Indenture or in any supplemental indenture; provided, however, that, unless approved by all of the Owners of the Series 2018 Bonds then outstanding and FPL, nothing contained in the Indenture shall permit, or be construed as permitting, (a) an extension of the maturity of the principal of or the interest on the Series 2018 Bonds, or (b) a reduction in the principal amount of the Series 2018 Bonds or the redemption premium or the rate of interest thereon, or (c) the creation of a lien upon or a pledge of the Loan Repayments other than the lien and pledge created by the Indenture, or (d) a preference or priority of any Series 2018 Bond over any other Series 2018 Bond, or (e) a reduction in the aggregate principal amount of the Series 2018 Bonds required for consent to such supplemental indenture.

Any supplemental indenture that affects any right, power, obligation or authority of FPL under the Agreement or requires a revision of the Agreement shall not become effective without the consent of FPL.

TAX MATTERS

In the opinion of Locke Lord LLP, Bond Counsel to the Issuer (“Bond Counsel”), based upon an analysis of existing laws, regulations, rulings, and court decisions, and assuming, among other matters, compliance with certain covenants, interest on the Series 2018 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code, except that no opinion is expressed as to the status of interest on any Series 2018 Bond for any period that such Series 2018 Bond is held by a “substantial user” of the Project or by a “related person” within the meaning of Section 147(a) of the Code. Bond Counsel is of the further opinion that interest on the Series 2018 Bonds is a specific preference item for purposes of the federal alternative minimum tax imposed on corporations (which under currently applicable provisions of the Code is only imposed on corporations for their taxable years beginning before January 1, 2018) and for purposes of the federal alternative minimum tax imposed on individuals. Bond Counsel expresses no opinion regarding any other federal tax consequences arising with respect to the ownership or disposition of, or the accrual or receipt of interest on, the Series 2018 Bonds.

The Code imposes various requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Series 2018 Bonds. Failure to comply with these requirements may result in interest on the Series 2018 Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Series 2018 Bonds. The Issuer and FPL have covenanted to comply with such requirements to ensure that interest on the Series 2018 Bonds will not be included in federal gross income. The opinion of Bond Counsel assumes compliance with these covenants.

Bond Counsel is further of the opinion that the Series 2018 Bonds and the interest thereon are exempt from taxation under existing laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined herein. Bond Counsel has not opined as to the taxability of the Series 2018 Bonds or the income therefrom under the laws of any state other than Florida. A complete copy of the proposed form of opinion of Bond Counsel is set forth in Appendix C to this Official Statement.

Prospective Owners should be aware that certain requirements and procedures contained or referred to in the Indenture and other relevant documents may be changed and certain actions (including, without limitation, defeasance of the Series 2018 Bonds) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Series 2018 Bonds may adversely affect the value of, or the tax status of interest on, the Series 2018 Bonds.

Risk of Further Legislative Changes and/or Court Decisions

Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and may also be considered by the Florida legislature. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the Series 2018 Bonds. There can be no assurance that legislation enacted or proposed, or actions by a court,

after the date of issuance of the Series 2018 Bonds will not have an adverse effect on the tax status of interest on the Series 2018 Bonds or the market value or marketability of the Series 2018 Bonds. These adverse effect could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), or repeal (or reduction in the benefit) of the exclusion of interest on the Series 2018 Bonds from gross income for federal or state income tax purposes for all or certain taxpayers.

For example, H.R. 1, signed into law on December 22, 2017, reduced the corporate tax rate, modified individual tax rates, eliminated many deductions, and raised the income threshold above which the individual alternative minimum tax is invoked, among other things. These changes may increase, reduce or otherwise change the financial benefits of owning state and local government bonds for a prospective Owner. Additionally, prospective Owners should be aware that future legislative actions (including federal income tax reform) may retroactively change the treatment of all or a portion of the interest on the Series 2018 Bonds for federal income tax purposes for all or certain taxpayers. In all such events, the market value of the Series 2018 Bonds may be affected and the ability of prospective Owners to sell their Series 2018 Bonds in the secondary market may be reduced. Prospective Owners are urged to consult their own tax advisors with respect to any such legislation, interpretation or development.

Although Bond Counsel is of the opinion that interest on the Series 2018 Bonds is excluded from gross income for federal income tax purposes, the ownership or disposition of, or the accrual or receipt of interest on, the Series 2018 Bonds may otherwise affect the Owner's federal or state tax liability. The nature and extent of all these other tax consequences will depend upon the particular tax status of the Owner or the Owner's other items of income, deduction or exclusion. Bond Counsel expresses no opinion regarding any such other tax consequences, and prospective Owners should consult with their own tax advisors with respect to such consequences.

CONTINUING DISCLOSURE

In order to assist each Underwriter in complying with certain provisions of Rule 15c2-12 (the "Rule") adopted by the Securities and Exchange Commission ("SEC") under the Exchange Act, FPL has agreed in separate, but substantially identical, Continuing Disclosure Undertakings to provide certain annual financial information and operating data and notices of certain events. The proposed form of the Continuing Disclosure Undertaking is included as Appendix E to this Official Statement.

Each Continuing Disclosure Undertaking may be enforced by any Beneficial Owner of the corresponding Series 2018 Bonds, but FPL's failure to comply will not be a default under the Indenture or the Agreement. A failure by FPL to comply with a Continuing Disclosure Undertaking must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the corresponding Series 2018 Bonds in the secondary market. Consequently, such failure may adversely affect the transferability and liquidity of the corresponding Series 2018 Bonds and their market price.

FPL is currently a party to numerous continuing disclosure undertakings (“Existing Undertakings”) with respect to revenue bonds issued (i) through various municipal authorities on behalf of FPL and (ii) through and on behalf of JEA, an independent agency of the City of Jacksonville, Florida, in connection with numerous issues of JEA’s revenue bonds related to the St. Johns River Power Park, a two unit electric generating station formerly owned jointly by JEA and FPL (the “JEA Bonds”). FPL inadvertently failed to timely file a notice relating to generally available information about upgrades by Moody’s of FPL’s credit ratings in January of 2014. FPL has rectified such non-compliance and has established internal procedures and controls, which are designed to provide reasonable assurance that all such actions required to be accomplished by FPL under the Existing Undertakings and each Continuing Disclosure Undertaking are completed in a timely manner. FPL reviews those procedures and controls on an on-going basis.

UNDERWRITING

Each of Wells Fargo Bank, National Association (the “Series 2018A Underwriter”) and KeyBanc Capital Markets Inc. (the “Series 2018B Underwriter” and collectively with the Series 2018A Underwriter, the “Underwriters”), pursuant to a separate Underwriting Agreement, will agree to purchase from the Issuer the Series 2018 Bonds. Each of the Underwriters is purchasing the respective series at the price equal to the par amount of such Series 2018 Bonds minus such Underwriter’s discount of \$17,187.50 and certain out-of-pocket expenses. FPL will agree to indemnify each Underwriter against certain liabilities, including certain liabilities under the federal securities laws.

Each Underwriter’s obligation to purchase the respective Series 2018 Bonds will be subject to certain conditions precedent. Each Underwriter will not have the right to purchase less than all of the respective Series 2018 Bonds if any of such Series 2018 Bonds are purchased. The offering price of the Series 2018 Bonds may be changed from that set forth on the cover page hereof from time to time by the respective Underwriter. The Underwriters may offer and sell the Series 2018 Bonds to certain dealers (including dealers depositing Series 2018 Bonds into investment trusts, accounts or funds) and others at prices lower than the public offering prices set forth on the cover page hereof.

Wells Fargo Securities is the trade name for certain securities-related capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Bank, National Association, which conducts its municipal securities sales, trading and underwriting operations through the Wells Fargo Bank, NA Municipal Products Group, a separately identifiable department of Wells Fargo Bank, National Association, registered with the Securities and Exchange Commission as a municipal securities dealer pursuant to Section 15B(a) of the Exchange Act.

Wells Fargo Bank, National Association, acting through its Municipal Products Group (“WFBNA”), the sole underwriter of the Series 2018A Bonds, has entered into an agreement (the “WFA Distribution Agreement”) with its affiliate, Wells Fargo Clearing Services, LLC (which uses the trade name “Wells Fargo Advisors”) (“WFA”), for the distribution of certain municipal securities offerings, including the Series 2018A Bonds. Pursuant to the WFA Distribution Agreement, WFBNA will share a portion of its underwriting or remarketing agent compensation,

as applicable, with respect to the Series 2018A Bonds with WFA. WFBNA has also entered into an agreement (the “WFSLLC Distribution Agreement”) with its affiliate Wells Fargo Securities, LLC (“WFSLLC”), for the distribution of municipal securities offerings, including the Series 2018A Bonds. Pursuant to the WFSLLC Distribution Agreement, WFBNA pays a portion of WFSLLC’s expenses based on its municipal securities transactions. WFBNA, WFSLLC, and WFA are each wholly-owned subsidiaries of Wells Fargo & Company.

Wells Fargo Bank, National Association and KeyBanc Capital Markets Inc. are each serving as both underwriter and remarketing agent for their respective Series 2018 Bonds and will be compensated separately for serving in each capacity.

LEGALITY

Florida legal matters incident to the issuance of the Series 2018 Bonds are subject to the legal opinion of Locke Lord LLP, West Palm Beach, Florida, as Bond Counsel. The signed legal opinion for the Series 2018 Bonds, dated and premised on law in effect as of the date of original delivery of the Series 2018 Bonds, will be delivered to the Underwriters at the time of original delivery of the Series 2018 Bonds. The proposed text of such legal opinion is set forth in Appendix C to the Official Statement.

Liebler, Gonzalez & Portuondo, Miami, Florida and Morgan, Lewis & Bockius LLP, New York, New York, counsel for FPL, will also render opinions relating to certain matters pertaining to FPL and its obligations under the Agreement. The Office of the County Attorney for Broward County, Florida will pass upon certain legal matters for the Issuer. Certain legal matters will be passed upon for the Underwriters by Ballard Spahr LLP, Philadelphia, Pennsylvania, counsel to the Underwriters.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Florida law requires the Issuer to make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served as a conduit issuer). Pursuant to Rule 69W-400.003, Florida Administrative Code, the Florida Office of Financial Regulation has required the disclosure of the amounts and types of defaults, any legal proceedings resulting from such defaults, whether a trustee or receiver has been appointed over the assets of the Issuer, and certain additional financial information, unless the Issuer believes in good faith that such information would not be considered material by a reasonable investor. The Issuer is not and has not been in default as to the payment of the principal of and interest on bonds or other debt obligations to which the Issuer has pledged its revenues or for which it is obliged to make payments. The Issuer serves as conduit issuer from time to time; however, the obligations of the Issuer under such conduit bond issues is limited solely to funds received from the party borrowing the proceeds of such bonds. Therefore, whether any such conduit bonds or other debt obligations are in default as to the payment of principal and interest, would not be material to purchasers of the Series 2018 Bonds unless the conduit borrower under such bonds was FPL. The Issuer is not aware of any payment default by FPL on any conduit bonds issued by the Issuer for the benefit of FPL.

APPENDIX C

Form of Approving Opinion of Bond Counsel

THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK

APPENDIX C

Locke Lord LLP, Bond Counsel, expects to issue its approving opinion upon the issuance of the Series 2018 Bonds in substantially the following form:

Board of County Commissioners _____, 2018
of Broward County, Florida
Fort Lauderdale, Florida

Ladies and Gentlemen:

We have examined certified copies of the proceedings of the Board of County Commissioners (the “Board”) of Broward County, Florida (the “Issuer”) relative to the issuance and sale of \$27,500,000 Broward County, Florida Industrial Development Revenue Bonds (Florida Power & Light Company Project), Series 2018A (the “Series 2018A Bonds”) and \$27,500,000 Broward County, Florida Industrial Development Revenue Bonds (Florida Power & Light Company Project), Series 2018B (the “Series 2018B Bonds,” which together with the Series 2018A Bonds are collectively referred to herein as the “Series 2018 Bonds”).

We have examined the Constitution and laws of the State of Florida (the “State”), particularly Article VIII, Section 1 and Article VII, Section 10(c) of the Florida Constitution, Chapter 125, Chapter 159 and Part II of Chapter 166, Florida Statutes, as amended, the Charter of Broward County, Florida and other applicable provisions of law (collectively, the “Act”), Resolution Nos. 2018-431 and 2018-470 (collectively, the “Resolution”) adopted by the Board on September 25, 2018 and October 23, 2018, respectively and other proofs submitted relative to the issuance of the Series 2018 Bonds. The Series 2018 Bonds are dated, mature in such amount at such time, bear interest at such rate or rates and are subject to redemption, all as provided in the Trust Indenture, dated as of December 1, 2018 (the “Indenture”), by and between the Issuer and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”), securing the Series 2018 Bonds.

We have also examined executed copies of the Indenture, the Loan Agreement, dated as of December 1, 2018 (the “Loan Agreement”), by and between the Issuer and Florida Power & Light Company, a Florida corporation (the “Company”). All capitalized terms used herein and not otherwise defined shall have the meanings ascribed to such terms in the Indenture and the Loan Agreement, as the case may be.

With respect to the matters pertaining to the Company, including the due authorization, execution and delivery of the Loan Agreement, by the Company and the Company’s power to enter into and perform its obligations thereunder, we have relied on the opinion of Liebler, Gonzalez & Portuondo, Miami, Florida, counsel to the Company, a copy of which has been filed with the Trustee.

In rendering this opinion we have assumed the due authorization, execution and delivery of the Indenture by the Trustee.

1. The Issuer is a political subdivision of the State of Florida with the power to issue the Series 2018 Bonds; the Issuer has the right, power and authority to perform all of its obligations under the Indenture and the Loan Agreement including, without limitation, the making of the Loan to the Company, as provided in the Loan Agreement.

2. The Issuer has the right and power under the Act to adopt the Resolution, and the Resolution has been duly and lawfully adopted by the Issuer, is in full force and effect and is valid and binding upon the Issuer and enforceable in accordance with its terms, and no other authorization for the Resolution is required.

3. The Issuer has the right and power to authorize and execute the Indenture and the Indenture has been duly and lawfully authorized and executed by the Issuer, is in full force and effect and is valid and binding upon the Issuer and enforceable in accordance with its terms and no other authorization for the Indenture is required. The Indenture creates the valid pledge which it purports to create of the moneys and funds held or set aside under the Indenture, subject to the application thereof to the purposes and on the conditions permitted by the Indenture.

4. The Issuer has the right and power to authorize and execute the Loan Agreement and the Loan Agreement has been duly and lawfully authorized, executed and delivered by the Issuer, is in substantially the form authorized by the Resolution, is in full force and effect and is valid and binding upon the Issuer and enforceable in accordance with its terms.

5. The Issuer is duly authorized and entitled to issue the Series 2018 Bonds and such Series 2018 Bonds have been duly and validly authorized and issued by the Issuer in accordance with the Constitution and statutes of the State of Florida, including the Act, the Resolution and the Indenture and all conditions precedent to the delivery of the Series 2018 Bonds have been fulfilled. The Series 2018 Bonds constitute the valid and binding revenue obligations of the Issuer, enforceable in accordance with their terms and the terms of the Indenture and are entitled to the benefits of the Act, the Resolution and the Indenture.

6. The Series 2018 Bonds and all payments by the Issuer under the Indenture are revenue obligations of the Issuer payable solely from and secured in the manner provided in the Indenture. The Series 2018 Bonds shall not be or constitute a debt, liability or obligation of the Issuer or of the State of Florida or of any political subdivision thereof, or a pledge of the faith and credit of the Issuer or of the State of Florida or of any political subdivision, and neither the faith and credit nor the taxing power of the Issuer or of the State of Florida or of any political subdivision thereof is pledged to the payment of the principal of or the interest on the Series 2018 Bonds.

7. The Internal Revenue Code of 1986 (the "Code") imposes certain requirements that must be met subsequent to the issuance and delivery of the Series 2018 Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2018 Bonds to be included in gross income retroactive to the date of issue of the Series 2018 Bonds. The Issuer and the Company have covenanted in the Indenture, the Loan Agreement and the Tax Certificate and Agreement, respectively, to comply with each applicable requirement of the Code in order to maintain the exclusion of the interest on the Series 2018 Bonds from gross income for Federal income tax purposes.

In our opinion, under existing law, and assuming compliance with the aforementioned covenants, interest on the Series 2018 Bonds is excludible from the gross income of the owners thereof for federal income tax purposes, except that no opinion is expressed as to the status of interest on any Series 2018 Bond for any period that such Series 2018 Bond is held by a "substantial user" of the facilities financed by the Series 2018 Bonds or by a "related person" within the meaning of Section 147(a) of the Code. Interest on the Series 2018 Bonds is a specific preference item for purposes of the federal alternative minimum tax imposed on corporations (which under currently applicable provisions of the Code is only imposed on corporations for their taxable years beginning before January 1, 2018) and

for purposes of the federal alternative minimum tax imposed on individuals. We express no opinion regarding other federal tax consequences arising with respect to the Series 2018 Bonds.

We are also of the opinion that, under existing law, the Series 2018 Bonds and the interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, as amended, on interest, income or profits on debt obligations owned by corporations as defined therein.

In delivering the opinions described in the preceding two paragraphs, we have relied upon representations and covenants of the Company and the Issuer in the Tax Certificate and Agreement executed in connection with the Series 2018 Bonds. In addition, we have assumed that all such representations are true and correct and that the Company and the Issuer will comply with their respective covenants. We express no opinion with respect to the exclusion of the interest on the Series 2018 Bonds from gross income under Section 103 and 141 through 150 of the Code in the event that any such representations are untrue or the Company or the Issuer fails to comply with such covenants.

Certain requirements and procedures contained or referred to in the Indenture and the Loan Agreement and other relevant documents may be changed and certain actions may be taken under the circumstances and subject to the terms and conditions set forth in such documents, upon advice or with the approving opinion of nationally recognized bond counsel. We express no opinion as to any Series 2018 Bonds or the interest thereon, if any such change occurs or action is taken upon the advice or approval of other bond counsel.

The opinions expressed herein regarding enforceability may be subject to bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting the enforcement of creditors' rights generally or by such principles of equity as the court having jurisdiction may impose with respect to certain remedies which require or may require enforcement by a court of equity.

Very truly yours,

Form of Continuing Disclosure Undertaking

THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK

Continuing Disclosure Undertaking

This Continuing Disclosure Undertaking (this “Disclosure Undertaking”) is dated [_____], 2018 by FLORIDA POWER & LIGHT COMPANY (the “Company”) and THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., as trustee (the “Trustee”), in connection with the sale of \$27,500,000 aggregate principal amount of Broward County, Florida Industrial Development Revenue Bonds (Florida Power & Light Company Project) Series 2018[A][B] (the “Bonds”). The Bonds are issued pursuant to a Trust Indenture dated as of December 1, 2018 (the “Indenture”) between Broward County, Florida (the “Issuer”) and the Trustee. The proceeds of the Bonds are provided by the Issuer to the Company pursuant to a Loan Agreement dated as of December 1, 2018 (the “Loan Agreement”) between Company and the Issuer.

In consideration of the mutual promises and agreements made herein, the receipt and sufficiency of which consideration is hereby mutually acknowledged, the parties hereto agree as follows:

Section 1. Purpose of the Disclosure Undertaking. This Disclosure Undertaking is being executed and delivered by the Company and the Trustee for the benefit of the Beneficial Owners (defined below) and in order to assist the Participating Underwriter (defined below) in complying with the Rule (defined below). The Company and the Trustee acknowledge that the Issuer has undertaken no responsibility with respect to any reports, notices or disclosures provided or required under this Disclosure Undertaking, and the Issuer has no liability to any person, including any Beneficial Owner, with respect to any such reports, notices or disclosures.

Section 2. Definitions. In addition to the definitions set forth in the Indenture, which apply to any capitalized term used in this Disclosure Undertaking unless otherwise defined herein the following capitalized terms shall have the following meanings:

“Annual Report” shall mean the Form 10-K (as defined in Section 3(a) hereof) or, collectively, the filings described in Section 3(b) hereof.

“Beneficial Owner” shall mean, while the Bonds are held in a book-entry only system, the actual purchaser of each Bond, the ownership interest of which is to be recorded on the records of the direct and indirect participants of DTC, and otherwise shall mean the holder of Bonds.

“Commission” shall mean the Securities and Exchange Commission, or any successor body thereto.

“EMMA” shall mean the Electronic Municipal Market Access system and the EMMA Continuing Disclosure Service of MSRB, or any successor thereto approved by the Commission, as a repository for municipal continuing disclosure information pursuant to the Rule.

“Listed Events” shall mean any of the events listed in Section 4 of this Disclosure Undertaking.

“MSRB” means the Municipal Securities Rulemaking Board, or any successor thereto. On July 1, 2009, the MSRB became the sole repository to which the Company must electronically submit Annual Reports pursuant to Section 3 hereof and material event notices pursuant to Section 4 hereof. Reference is made to Commission Release No. 34-59062, December 15, 2008 (the “Release”) relating to EMMA, which became effective on July 1, 2009. To the extent applicable to this Disclosure Undertaking, the Company shall comply with the provisions described in the Release and with the requirements of EMMA, as amended or supplemented from time to time.

“Participating Underwriter” shall mean the original underwriter of the Bonds required to comply with the Rule in connection with the offering of the Bonds.

“Rule” shall mean Rule 15c2-12(b)(5) adopted by the Commission under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), as the same may be amended from time to time.

Section 3. Provision of Annual Reports.

(a) If the Company shall file with the Commission, with respect to the Company’s fiscal years ending December 31, 2018 and thereafter, reports on Form 10-K under Sections 13 or 15(d) of the Exchange Act, including any successor provisions thereto (“Form 10-K”), the Company shall provide not later than one hundred twenty (120) days after the close of its fiscal year to the MSRB and to the Trustee the Form 10-K, provided that the Company may satisfy such requirement by delivery to the MSRB and to the Trustee of a notice incorporating by reference the Form 10-K for that year, which notice shall state that such Form 10-K constitutes the Annual Report for that year.

(b) In the event the Company no longer files annual reports under Sections 13 or 15(d) of the Exchange Act, the Company’s Annual Report shall consist of annual financial information of the type set forth or incorporated by reference in the Official Statement dated November 27, 2018 delivered with respect to the sale of the Bonds, including audited financial statements prepared in accordance with generally accepted accounting principles (GAAP), in each case not later than one hundred twenty (120) days after the end of the Company’s fiscal year.

(c) The Company shall, in a timely manner, provide to the MSRB and the Trustee notice of failure by the Company to file any Annual Report by the date due.

Section 4. Reporting of Material Events.

The Company shall provide, in a timely manner not in excess of ten (10) business days after the occurrence of the event, to the MSRB and the Trustee notice of the occurrence of any of the following events with respect to the Bonds:

- (1) principal and interest payment delinquencies;

- (5) substitution of credit or liquidity providers or their failure to perform;
- (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (7) modifications to rights of the holders of the Bonds, if material;
- (8) bond calls, if material, and tender offers;

- (13) the consummation of a merger, consolidation, or acquisition involving the Company or the sale of all or substantially all of the assets of the Company, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
- (14) appointment of a successor or additional trustee or the change of name of a trustee, if material.

Neither the terms of the Loan Agreement, the Indenture nor the Bonds require that any debt service reserve fund be established.

Section 5. Termination of Reporting Obligation. The Company's obligations under this Disclosure Undertaking shall terminate upon the defeasance, prior redemption or payment in full of all of the Bonds. If the Company's obligations under the Loan Agreement and this Disclosure Undertaking are assumed in full by some other entity, such entity shall be responsible for compliance with this Disclosure Undertaking in the same manner as if it were the Company and the Company shall have no further responsibility hereunder. The Company shall provide timely notice to the MSRB of the termination of the Company's obligations under this Disclosure Undertaking pursuant to an assumption of its obligations hereunder.

Section 6. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Undertaking, the Company and the Trustee may amend this Disclosure Undertaking (and the Trustee shall agree to any amendment so requested by the Company that does not change the duties of the Trustee hereunder, provided the Trustee receives indemnity satisfactory to it) or waive any provision hereof, but only in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the obligor with respect to the Bonds or the type of business conducted by said obligor; provided that (1) this Disclosure Undertaking, as amended or following such waiver, would have complied with the requirements of the Rule on the date of an adjustment of the then-current Interest Rate Period, after taking into account any amendments to the Rule as well as any change in circumstances, and (2) the amendment or waiver does not materially impair the interests of the holders of Bonds, in the opinion of the Trustee or counsel expert in federal securities laws reasonably satisfactory to both the Company and the Trustee, or is approved by the Beneficial Owners of not less than a majority in aggregate principal amount of the outstanding Bonds.

In the event of any amendment to the type of financial or operating data provided in an Annual Report provided pursuant to Section 3(b) hereof, or any change in accounting principles reflected in such Annual Report, the Company agrees that the Annual Report will explain, in narrative form, the reasons for the amendment or change and the effect of such change, including comparative information, where appropriate. To the extent not otherwise included in such Annual Report, the Company will also provide timely notice of any change in accounting principles to the MSRB and the Trustee.

Section 7. Additional Information. Nothing in this Disclosure Undertaking shall be deemed to prevent the Company from disseminating any other information using the means of dissemination set forth in this Disclosure Undertaking or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Undertaking. If the Company chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by this Disclosure Undertaking, the Company shall have no obligation under this Disclosure Undertaking to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 8. Default. In the event of a failure of the Company to comply with any provision of this Disclosure Undertaking, the Trustee may (and, at the request of the Beneficial Owners of not less than a majority of the aggregate principal amount of outstanding Bonds, shall) subject to the same conditions, limitations and procedures that would apply under the Indenture if the breach were an event of default under the Indenture (each, an “Event of Default”), or any Beneficial Owner may, take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Company to comply with its obligations under this Disclosure Undertaking; provided, that, to the extent permitted by the securities laws, any Beneficial Owner’s right to challenge the adequacy of the information provided in accordance with the undertaking of the Company described in Section 3 and Section 4 hereof shall be subject to the same limitations as those set forth in Article VIII of the Indenture with respect to Events of Default thereunder. A default under this Disclosure Undertaking shall not be deemed an Event of Default under the Indenture or the Loan Agreement, and the sole remedy under this Disclosure Undertaking in the event of any failure of

the Company to comply with this Disclosure Undertaking shall be an action to compel performance. The Trustee shall be entitled to rely conclusively upon any written evidence provided by the Company regarding the provision of information to the MSRB.

Section 9. Duties, Immunities and Liabilities of Trustee; Assignment by Trustee. Solely for the purpose of (a) defining the standards of care and performance applicable to the Trustee in the performance of its obligations under this Disclosure Undertaking, (b) the manner of execution by the Trustee of those obligations, (c) defining the manner in which, and the conditions under which, the Trustee may be required to take action at the direction of Beneficial Owners, including the condition that indemnification be provided, and (d) matters of removal, resignation and succession of the Trustee under this Disclosure Undertaking, Article IX of the Indenture is hereby made applicable to this Disclosure Undertaking as if this Disclosure Undertaking were (solely for this purpose) contained in the Indenture; provided the Trustee shall have only such duties under this Disclosure Undertaking as are specifically set forth in this Disclosure Undertaking. The Trustee shall assign this Disclosure Undertaking to any successor Trustee appointed pursuant to the terms of the Indenture.

The Company agrees to pay the Trustee from time to time reasonable compensation for services provided by the Trustee under this Disclosure Undertaking and to pay or reimburse the Trustee upon request for all reasonable fees, expenses, disbursements and advances incurred or made in accordance with this Disclosure Undertaking (including reasonable compensation and the expenses and disbursements of its counsel and of all agents and other persons regularly in its employ) or as a result of the Trustee's duties and obligations hereunder, or as a result of the Company's failure to perform its obligations hereunder, except to the extent that any such fees, expenses, disbursement or advance is due to the gross negligence or willful misconduct of the Trustee.

The Trustee is a party to this Disclosure Undertaking solely for and on behalf of the holders and Beneficial Owners of the Bonds and shall not be considered to be the agent of the Company when performing any actions required to be taken by the Trustee under this Disclosure Undertaking. Nothing in this Disclosure Undertaking shall prevent the Company from designating the Trustee as its agent in performing the Company's obligations under this Disclosure Undertaking; provided, however, such designation shall be made in writing under mutually agreeable terms.

Section 10. Beneficiaries. This Disclosure Undertaking shall inure solely to the benefit of the Issuer, the Company, the Trustee, the Participating Underwriter, and Beneficial Owners, and shall create no rights in any other person or entity.
